Performance Notes

-It is desirable that this "double" fauxbourdon be sung as indicated, but the director should feel free to adjust the form of the Antiphon repetition and verses as needed.

-Rubato should be given to the unmetred portions of the text.

-The ends of phrases should be approached gently with a slight decrescendo and ritardando.

-The symbol " | " in the psalmody is a slight pause for a choral breath with a decrescendo.

-Staggered breathing is expected where a breath mark is not indicated.

Translation of Antiphon & Psalmody

*The sparrow hath found herself a house, and the turtledove a nest where she may lay her young ones:
thy altars, O Lord of hosts, my king and my God:
blessed are they that dwell in thy house, they shall praise thee for ever and ever.*

1. How lovely are thy tabernacles, O Lord of hosts!
my soul longeth and fainteth for the courts of the Lord.
2. My heart and my flesh have rejoiced in the living God.
3. O Lord God of hosts, hear my prayer: give ear, O God of Jacob.
4. Behold, O God our protector: and look on the face of thy Christ.
5. For better is one day in thy courts above thousands.
I have chosen to be an abject in the house of my God,
rather than to dwell in the tabernacles of sinners.
6. For God loveth mercy and truth: the Lord will give grace and glory.
